## **The Long March and In the Clap Shack (2 Books in 1)** William Styron

Two extraordinary works about soldiers in a time of dubious peace by a writer of vast eloquence and moral authority. With stylistic panache and vitriolic wit, William Styron depicts conflicts between men of somewhat more than average intelligence and the military machine. In **The Long March**, a novella, two Marine reservists fight to retain their dignity while on a grueling exercise staged by a posturing colonel. The uproariously funny play **In the Clap Shack** charts the terrified passage of a young recruit through the prurient inferno of a Navy hospital VD ward. In both works, Styron wages a gallant defense of the free individual--and serves up a withering indictment of a system that has no room for individuality or freedom.
