The Strategy and Tactics of Pricing: International Version Thomas T. Nagle . John E. H...

A comprehensive and practical, step-by-step guide to pricing analysis and strategy development. The Strategy and Tactics of Pricing shows readers how to manage markets strategically-rather than simply calculate pricing based on product and profit-in order to improve their competitiveness and the profitability of their offers. The fifth edition contains a new chapter on price implementation and several updated examples on pricing challenges in today's markets.
