## **The Bulldozer in the Countryside: Suburban Sprawl and the Rise of American Environmentalism (Studies in Environment and History) Adam Rome**

The Bulldozer in the Countryside is the first scholarly history of efforts to reduce the environmental costs of suburban development in the United States. The book offers a new account of two of the most important historical events in the period since World War II--the mass migration to the suburbs and the rise of the environmental movement. This work offers a valuable historical perspective for scholars, professionals, and citizens interested in the issue of suburban sprawl.
