A-Z of Politically Incorrect Jokes Ollie Tabooger

Mr Ollie Tabooger has been collecting inappropriate jokes for as long as he can remember. Through the magic of the internet, Tabooger's previously private collection is now publically available. Most who have reviewed it agree that this release, Tabooger's first ever book, cleverly titled 'The A-Z of politically Incorrect Jokes' is likely going to be his last. Indeed this blurb was originally meant to include captivating promises of how stunning the publication is, however even Ollie's mother has refused to be associated with the release. Tellingly she has gone to the extent of changing her name by deed poll to Ms Eura Snotball. Buy it, read it and re-gift it if you must. Alternatively this collection of over 1,000 jokes can be safely avoided no matter what discounts Amazon may be offering to shift stock.
