## **Anthony Giddens: An Introduction to a Social Theorist** Lars Bo Kaspersen

Anthony Giddens is one of the world's most prominent and prolific sociologists, and yet he is also a difficult study for the beginning student of sociology. This is the first introduction to the work of Giddens, including the major part of his sociological and social theoretical project. The author traces Giddens' development from the late sixties to the nineties in a straightforward, readable style, covering all parts of Giddens's sociology in a well-arranged summary. Also featured is a lengthy interview with Giddens by the author, and the most comprehensive Giddens bibliography to date.
