Cahlir Decker and Bizay Donneeter had an extraordinary involvement that resulted in more than either of them ever intended. Their connection went deeper than the sexual chemistry that sizzled to life between the powerful corporate consultant and the lingerie entrepreneur. At least, that was what Biz thought until their enjoyable time together ended when she woke one morning to an empty bed and no sign of Cahlir. Biz refused to acknowledge how deeply the man had wounded her-how deeply her feelings for him had grown in the short span of time they had known each other. She was angry and hurt and leaned on a fair amount of hate to survive. Not a bad plan until she received word that her family's advertising firm was in trouble and that Cahlir was its new owner.

Biz didn't have time to let fear register over the unexpected turn of events. Fear however, did eventually find its way to the forefront of her mind as did a healthy dose of suspicion. Did Cahlir know that she'd left San Diego pregnant with their child? What would he do when he realized she'd had their daughter and had kept her from him for four years?
