The Little World of Don Camillo

The Little World of Don Camillo Giovanni; Troubridge, Una Vincenzo (translator) Guareschi

This is a good copy and has been gently read. Binding is tight. There is a very small address label on the upper left hand corner of the inside cover and the previous owner's name is written in ink on the top right hand corner of the first front end page. A majority of the pages are neatly underlined in ink. Cover shows some shelf wear. However, this is still a very good reading copy.
