"How to Blog for Profit is hands down the best blogging book I've ever read. I cannot recommend it highly enough and will be telling every new and seasoned blogger I know to get a copy! This book is comprehensive, but not overwhelming, and packed with amazing information. And I don't say that lightly. You see, by implementing the Pinterest strategies that Ruth suggests in her book, I have increased my site traffic by over 500,000 unique visitors per month. For real. Ruth is brilliant! What more can I say?!" -Crystal Paine @ Money Saving Mom

"After a year and a half of blogging as a hobby, I decided to launch a second blog with the goal of making a profit. Ruth did an excellent job addressing all of the questions I had, including the ones that came up as I navigated through my new blogging journey. By implementing the strategies and action plans in Ruth's eBook, I was able to surpass my one-year blog traffic goal within 3 months from launching my blog. Not only that, I was also able to earn an income within 2 months! Today, my blog traffic and income continue to steadily grow. If you are serious about monetizing your blog, Ruth provides you with the necessary tools to yield tangible results." Jesenia Montanez @ The Latina Homemaker

"No blogging for profit book has made the difference to me and my blog like this one. If you only read ONE of these subject books – LET IT BE THIS BOOK!!! After finishing the book, my blog is totally getting revamped, I have the excitement for it again, and now my whole direction has changed to not only help me become more profitable, but also for me to get back to ENJOYING what I do, which is really the best part!" -Danielle @ Busy Moms Helper

“As a new blogger, I have been wanting a conversation—a seasoned blogger to talk to me about the most popular ways to monetize my blog, the pros and cons of each of them, and give me realistic tips and goals to reach my future goal. Ruth did all of this. She has such a fantastic writing style that you feel like you are sitting down with her over a cup of coffee. The material is easy to navigate, covering the importance of good content before anything else, Pinterest, media kits, reviews, ads, and a whole lot more. Ruth is incredibly level-headed in her approach to monetizing her blog and truly believes and promotes that a blog full of good ideas, content and writing must come first. My favorite part is that every chapter ends with a “plan of action” which is great if you are truly looking to improve your blog. I can’t wait to put her tips and ideas into action and watch my blog grow!” -Maggie @ The Love Nerds
