The Little Book of Atheist Spirituality Andre Comte-Sponville

The perfect antidote to the fiery rhetoric that dominates our current national debate over religion, *The Little Book of Atheist Spirituality* is the ideal companion to such bestsellers as *The God Delusion* and *God Is Not Great*. In this inspiring book, bestselling author and philosopher André Comte-Sponville offers a new perspective on the question of God's existence, acknowledging the good that has come of religion while advocating tolerance from both believers and non-believers. Through clear, concise, and often humorous prose, Comte-Sponville offers a convincing appeal for a new form of spiritual life—one that at its heart celebrates the human need to connect to one another and the universe.
