The Oxford Illustrated History of the First World War: New Edition

The Oxford Illustrated History of the First World War: New Edition

The First World War, now a century ago, still shapes the world in which we live, and its legacy lives on, in poetry, in prose, in collective memory and political culture. By the time the war ended in 1918, millions lay dead. Three major empires lay shattered by defeat, those of Germany, Austria-Hungary, and the Ottomans. A fourth, Russia, was in the throes of a revolution that helped define the rest of the twentieth century.

The Oxford Illustrated History of the First World War brings together in one volume many of the most distinguished historians of the conflict, in an account that matches the scale of the events. From its causes to its consequences, from the Western Front to the Eastern, from the strategy of the politicians to the tactics of the generals, they chart the course of the war and assess its profound political and human consequences. Chapters on economic mobilization, the impact on women, the role of propaganda, and the rise of socialism establish the wider context of the fighting at sea and in the air, and which ranged on land from the trenches of Flanders to the mountains of the Balkans and the deserts of the Middle East.

First published for the 90th anniversary of the 1918 Armistice, this highly illustrated revised edition contains significant new material to mark the 100th anniversary of the war.

From reader reviews:

Ruth Barnett:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a know-how or any news even a huge concern. What people must be consider if those information which is in the former life are hard to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you get the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take The Oxford Illustrated History of the First World War: New Edition as the daily resource information.

Florence Hall:

The Oxford Illustrated History of the First World War: New Edition can be one of your basic books that are good idea. We recommend that straight away because this book has good vocabulary which could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort that will put every word into enjoyment arrangement in writing The Oxford Illustrated History of the First World War: New Edition nevertheless doesn't forget the main place, giving the reader the hottest in addition to based confirm resource facts that maybe you can be among it. This great information can easily drawn you into brand new stage of crucial thinking.

Jacqueline Britt:

This The Oxford Illustrated History of the First World War: New Edition is great reserve for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. That book reveal it info accurately using great arrange word or we can say no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with lovely delivering sentences. Having The Oxford Illustrated History of the First World War: New Edition in your hand like having the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world throughout ten or fifteen minute right but this guide already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?

Jamie Harper:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Oxford Illustrated History of the First World War: New Edition can make you

experience more interested to read.
