Ambush : The Real Story of Bonnie and Clyde Ted Hinton

The story of Bonnie & Clyde--their love, their desperate killings, and their destruction in an explosion of gun fire--has fueled an American legend. But it is only with this book, by the last surviving officer of the 6 who shot Bonnie & Clyde, that the full story of their capture has been told. Hinton's description of a secret, illegal police trap--hidden at the time from the press and public--is one of many revelations he draws from his intimate knowledge of the greatest manhunt of the 1930's.
