A life dedicated to equality By : CARLOS ROMERO BARCELÓ [column@caribbeanbusinesspr.com](mailto:column@caribbeanbusinesspr.com); [cbprdigital@gmail.com](mailto:cbprdigital@gmail.com) Edition: December 20, 2012 | Volume: 40 | No: 50 In Spanish, the title of the book written by newspaperman Antonio "Tony" Quiñones Calderón about my participation in Puerto Rico's social, political and economic development as a disenfranchised U.S. territory from the 1960s decade through the beginning of 2012 is "Una vida por la igualdad," which literally translated would be "A Life For Equality." However, the literal translation into English doesn't carry the same message that the term "por la igualdad" carries in Spanish. However, the subject of this column isn't about the translation of the Quiñones Calderón book title, but about the book itself and why and how it came to be written. After payment of all publication and sales costs, the profits, if any, will go to the nonprofit historical library, study and education center on democracy, the Fundación Carlos Romero Barceló. The book "A Life Dedicated to Equality" isn't written as a story from early childhood to the present, but is a collection of interviews with me and other people who have participated in the events and development of my life's dedication to achieve the right to vote, to be represented in our nation's Congress and to achieve equality as U.S. citizens with all our fellow citizens in the 50 states of the Union. .
