Guadalupe Leatherman:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
