## **His Conquest** Diana J. Cosby **The Only Man Who Could Save Her**

Linnet Dancort will not be sold. But that's essentially what her brother intends to do--to trade her like so much chattel to widen his already vast scope of influence. Linet will seize any opportunity to escape her fate--and opportunity comes in the form of a rebel prisoner locked in her brother's dungeon, predatory and fearsome, and sentenced to hang in the morning.

### **Would First Need Saving Himself**

Seathan MacGruder, Earl of Grey, is not unused to cheating death. But even this legendary Scottish warrior is surprised when a beautiful Englishwoman creeps to his cell and offers him his freedom. What Linet wants in exchange, though--safe passage to the Highlands--is a steep price to pay. For the only thing more dangerous than the journey through embattled Scotland is the desire that smolders between these two fugitives the first time they touch. . .

*"His Conquest --one part heaven, one part sin."*

"Passion, danger, lush history and a touch of magic." --Hannah Howell, *New York Times* Bestselling Author
