I wrote this book as a strengthening of the psyche for children. I wanted this book to be used sort of like a daily bread, in hopes that the reader would use it as a preconditioning in their efforts to move throughout the day encouraged, strengthened, with a spirit of victory, jubilant and optimistic KID FRIENDLY ENCOURAGING QUOTES, is a book full of ENCOURAGING quotes that are written to cheer the individual and at the same time give them phrases that they can say to themselves as encouragement tools when no one else is around. KID FRIENDLY ENCOURAGING QUOTES can also be used when the individual reading them is unable to get in touch with others, or when they just need a word that would fit the situation that they are currently in as it relates to school mates or just as a reminder that someone cares.
