Hyperbole and a Half: Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened

Allie Brosh

Hyperbole and a Half: Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened Allie Brosh

FROM THE PUBLISHER:

Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices.

Touching, absurd, and darkly comic, Allie Brosh's highly anticipated book *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations.

This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written.

Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to.

FROM THE AUTHOR:

This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book:

Pictures

Words

Stories about things that happened to me

Stories about things that happened to other people because of me

Eight billion dollars*

Stories about dogs

The secret to eternal happiness*

*These are lies. Perhaps I have underestimated my sneakiness!
