The Ship and the Storm: Hurricane Mitch and the Loss of the Fantome

Jim Carrier

The Ship and the Storm: Hurricane Mitch and the Loss of the Fantome Jim Carrier

"Utterly compulsive and unputdownable--the most exciting, authentic, and humanly moving of all the recent Storm books. Brilliantly paced and perfectly balanced. . . . Carrier is a marvelously trustworthy narrator. . . . A terrific book."--Jonathan Raban, author of *Passage to Juneau: A Sea and Its Meanings* and *Bad Land: An American Romance*

"A wonderful story. An extremely well-written account of the events as I knew them. I commend Jim Carrier for a magnificent job."--Jerry D. Jarrell, Director, National Hurricane Center

In October 1998, the majestic schooner *Fantome* came face-to-face with one of the most savage storms in Atlantic history. The last days of the *Fantome* are reconstructed in vivid and heartbreaking detail through Jim Carrier's extensive research and hundreds of personal interviews. What emerges is a story of courage, hubris, the agony of command, the weight of lives versus wealth, and the advances of science versus the terrible power and unpredictability of nature.
