A Blind Eye (Frank Corso) G.M. Ford

Beneath the rotting floorboards of an abandoned shed are human bones -- lots of them -- the last things a runaway rogue true-crime writer and his photojournalist ex-lover expected to find when they took shelter from a vicious Wisconsin blizzard. The grisly nightmare Frank Corso and Meg Dougherty have uncovered is nothing they can turn a blind eye to. The hideous slaughter of a family, undetected for fifteen years, must be avenged, as the hunt for a killer carries Corso halfway across the country, and through a chilling history of violence, terror, and bloodshed. But becoming an instrument of justice has made him a target of a rage-driven maniac -- and it's leading to a shocking truth hidden in an isolated place where death lives ... and where no law protects the innocent.
