## A Pet Named Sneaker (Beginner Books(R)) Joan Heilbroner

Fifty years after the publication of *Robert the Rose Horse comes* Joan Heilbroner's second Beginner Book—*A Pet Named Sneaker*, with illustrations by Pascal Lemaitre. A madcap tale reminiscent of *The Cat in the Hat*, *Go, Dog. Go!*, and *A Fish Out of Water*, *Sneaker* is the story of a pet-store snake who longs for a real home. When he is finally adopted by Pete—a young boy charmed by Sneaker's uncanny ability to twist himself into different shapes—Sneaker not only proves himself a good pet, but proves to be a good student (sneaking into school with Pete and learning to read and write); a good citizen (saving a drowning toddler at a community pool); and a goodwill ambassador for the entire animal kingdom (inspiring the community to open the pool to all animals)! With delightfully understated, wickedly funny illustrations by Pascal Lemaitre, this is a fantastic, funny book that will *sneakily* get beginning readers reading on their own!

Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

#### **Philip Mejia:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this A Pet Named Sneaker (Beginner Books(R)) can make you truly feel more interested to read.
