Angel's Touch Siri Caldwell

Kira Wagner is in Piper Beach to make money. The small resort town needs an high-end hotel and spa for women. With everything she owns invested in the expensive land, she needs a local expert to get the project up and running. Megan McLaren's name is at the top of her list.

Megan isn't aware that the woman on her table is planning to offer her a job.

She gives her healing touch as she would to anyone and turns down the invitation to dinner. But the persistent Kira awakens something else in Megan: memories of pasts they may have shared, none of which ended happily.

When Megan realizes exactly where Kira plans to build her hotel she agrees to consult, but her only goal is to make sure the new hotel doesn't ruin the sacred spaces nearby. She wishes she could tell Kira the truth, but she's deeply afraid that Kira will look at her like every other woman in her life when she explains about the powerful ley lines...and the angels...
