It wasn't something she wanted to admit but Jenny was having some **provocative thoughts** about Andy. **Ones that leave her fidgeting with wet panties.** Is it bad that she dreams about how he would just **shove his big pipe into her from behind?**

The **young inexperience girl** doesn't know what to do, after all **she's never actually done it before.** But perhaps her **sexy older babysitter** Candace would know a thing or two about boys. What she didn't expect was for Candace to **teach her first hand all about sex!** Andy may be the **guinea pig**, but he enjoys every second getting sucked by **two beautiful women.** Especially when his babysitter starts guiding **his throbbing thick hard-on** to the **one person he wants most!**
