Creation: The Tower: Book III Nigel Shindler, Max Shindler

There are two ingredients that construct The Tower; Goodness, and evil; light and dark; The British, and Homo-sapiens. The Jews are made in the image of God, and are responsible for the creation of all civilizations; Homo-sapiens, are members of the primate family, and when they behave in accordance with their nature, they destroy civilizations. Homo-sapiens originated in Africa; they developed an erect posture as a response to climactic changes two million years ago. They survived because of a form of adaption known as “neoteny”; which means that the maturation process is slowed down; due to being born prematurely, the head remains aligned with the spine, and the brain doesn’t reach full size till the 23rd year.
