The Dragonbound Bundle includes the first six of the Dragonbound Books.

Dragonbound: Blue Dragon--

Born a Naga, destined to bond with a Great Gold dragon, Kanvar is hunted, hated, and driven into hiding as an indentured servant. But time is running out for Kanvar. Soon the dragon sickness will come upon him, and he will die if he cannot find a dragon to bond with. Dharanidhar, leader of the Great Blue dragons, has vowed the destruction of all humans after they murdered his mate and hatchlings. His relentless war throws him into a confrontation with Kanvar who strikes him blind. But fate twists dragon and boy together in a desperate battle against a common foe.

Dragonbound II: White Dragon--

While Kanvar searches for his grandfather, Kumar Raza faces a savage Great White dragon that attacks his village. With no armor and only a fishing spear, Raza fights the white dragon but is mortally wounded in the battle. Raza's youngest son, Denali, must find a way to save his father and bring him safely out of the frozen wasteland. Lost in a blizzard, hunted by a pack of wolves, followed by a Great White dragon hatchling, Denali must use all his wit and skill to survive.

Dragonbound III: Copper Dragon--

Nightmares of destruction in his homeland set Raahi on a quest to save his family, his people, and his ancestors from slavery and torment. He crosses the ocean with Kanvar and a Great Blue dragon. But when a hurricane separates him from his best friend, Raahi must team up with a Great Copper dragon to face his oldest enemy and overcome his greatest fears.

Dragonbound IV: Red Dragon--

A lone Naga, betrayed by his family and left for dead, has bonded with a Great Red dragon and is out for revenge. Using his Naga powers, he sets out to conquer the world and reclaim Stonefountain. With Dharanidhar unable to fly, Kanvar leaves him behind and sails to Varna to stop the rogue Naga. Kanvar's attempt to save the human world lands him face-to-face with an old friend, now turned enemy, and ultimately leads him to the Great Red dragon's lair. In this fourth book of the Dragonbound series, Kanvar must make the critical choice of who is friend and who is foe, who he will save and who he will kill.

Dragonbound V: Silver Dragon--

Tormented by memories of his time with the Great Red dragon, Rajan struggles to find the humanity within himself and come to terms with the silver dragon he's now bound to. His flight from the Maran warships takes him to the far side of the world where he must face calamity far beyond that of his own troubled past.

Dragonbound VI: Green Dragon--

With a vast human army descending on Kundiland bent on the annihilation of all remaining Nagas, the Nagas splinter into factions—those who wish to run and hide and those who decide to stand and fight. Tana finds herself trapped in the middle and at the mercy of those who will do anything, no matter how vile, to defend their home. With the time of her bonding imminent, she finds herself drawn to the deepest heart of the jungle and repulsed by the murderous thoughts of the dragons the Great Gold Dragon King presents to her. The golden palace has become her prison, one she will take the ultimate risk to escape.
