Impulse Power

J. C. Hay, Nathalie Gray, Robert Appleton

Impulse Power J. C. Hay, Nathalie Gray, Robert Appleton

Light speed isn't fast enough to outrun the heart.

Metal Reign by Nathalie Gray

Francine knows her one chance to destroy a critical Imber fuel supply is a suicide mission, but better death than living like a rat under the enemy's thumb.

John may be only the ship's cook, but he's not letting his best friend go alone. Now's a hell of a time to discover he loves her, but there's no turning back.

The Mythmakers by Robert Appleton

Steffi and her crew of smugglers are so weary just surviving, it's tough to get excited about one more crippled ship, even though it's the salvage prize of a lifetime.

Until they discover it holds the last of Earth's mythical creatures. Including the extraordinarily beautiful and uninhibited Arne. But the enemy is closing in, and Steffi must choose: cut and run, or tow the precious ship to safety.

Hearts and Minds by J.C. Hay

It was a simple smash-and-grab job. But the client failed to mention that Syna's the diversion for an assassination attempt that leaves her with a sexy, telepathic passenger.

Inexorably, Syna is dragged into a war that isn't hers, and discovers—between knock-down-drag-outs—that she and Galen are a whole, far stronger than the sum of their parts.

Warning: Contains explicit sex, ménage, violence, nudists, boxing as foreplay, rogue telepaths and naïve men. Space invaders were seriously harmed in the making of this book.

From reader reviews:

Arlene Oliver:

Reading a reserve can be one of a lot of exercise that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people like it. First reading a guide will give you a lot of new details. When you read a reserve you will get new information due to the fact book is one of several ways to share the information or perhaps their idea. Second, reading through a book will make anyone more imaginative. When you studying a book especially hype book the author will bring you to imagine the story how the figures do it anything. Third, you can share your knowledge to other individuals. When you read this Impulse Power, you can tells your family, friends along with soon about yours publication. Your knowledge can inspire different ones, make them reading a guide.

Irene Weinstein:

Reading can called thoughts hangout, why? Because if you find yourself reading a book particularly book entitled Impulse Power your brain will drift away trough every dimension, wandering in every single aspect that maybe mysterious for but surely can be your mind friends. Imaging every single word written in a book then become one application form conclusion and explanation in which maybe you never get prior to. The Impulse Power giving you yet another experience more than blown away your thoughts but also giving you useful info for your better life within this era. So now let us teach you the relaxing pattern this is your body and mind are going to be pleased when you are finished reading it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Lisa Lee:

Is it you actually who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Impulse Power can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these books have than the others?

Randi Adams:

What is your hobby? Have you heard this question when you got scholars? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person just like reading or as looking at become their hobby. You have to know that reading is very important as well as book as to be the thing. Book is important thing to add you knowledge, except your personal teacher or lecturer. You will find good news or update with regards to something by book. Different categories of books that can you go onto be your object. One of them is this Impulse Power.
