From Book 1: The moment Mia met the infamous Seantrel she felt as though her life was now finally complete. He came along and smoothly swept her off of her feet as if he was a broom made of love. In her heart and mind she was convinced that no woman could ask for a better man to spend the rest of their life with. His charm was irresistible, some would say hypnotizing. Simply put he was the man of her dreams.

However; Mia was soon in for the rudest of awakenings when her life began to speed down the highway to hell with no rear view mirror. It was one horrible heart break after another. She didn't think things could get any worse until she was betrayed by the one person that she would have done anything for.

The lies, secrets and deception became too much. Will Mia forgive and forget or will she seek out revenge for her broken heart? See what happens when one woman has reached her breaking point....
