Death Note, Vol. 2 Tsugumi Ohba

Light Yagami is an ace student with great prospects - and he's bored out of his mind. But all that changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. But when criminals begin dropping dead, the authorities send the legendary detective L to track down the killer. With L hot on his heels, will Light lose sight of his noble goal...or his life? Light thinks he's put an end to his troubles with the FBI - by using the Death Note to kill off the FBI agents working the case in Japan! But one of the agents has a fiancée who used to work in the Bureau, and now she's uncovered information that could lead to Light's capture. To make matters worse, L has emerged from the shadows to work directly with the task force headed by Light's father. With people pursuing him from every direction, will Light get caught in the conflux?
