Samuel Richardson

## **Pamela: Or Virtue Rewarded (Oxford World's Classics)** Samuel Richardson

One of the most spectacular successes of the flourishing literary marketplace of eighteenth-century London, *Pamela* also marked a defining moment in the emergence of the modern novel. In the words of one contemporary, it divided the world "into two different Parties, Pamelists and Anti-pamelists," even eclipsing the sensational factional politics of the day. Preached for its morality, and denounced as pornography in disguise, it vividly describes a young servant's long resistance to the attempts of her predatory master to seduce her. Written in the voice of its low-born heroine, *Pamela* is not only a work of pioneering psychological complexity, but also a compelling and provocative study of power and its abuse.

Based on the original text of 1740, from which Richardson later retreated in a series of defensive revisions, this edition makes available the version of *Pamela* that aroused such widespread controversy on its first appearance.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
