What I decided could be one night of adventure quickly changed by the revelations that followed the next morning. Jake would not remain a stranger to me for long.

What I had expected to be an average night out at a gig turned into a spectacular night of passion with a visiting stranger. Ex-army and now teacher, he could teach me a thing or two anytime, and he did. The first lesson was that not all men were interested in the likes of Megan, my best “friend” – something that got my attention.

The ultimate new serial obsession for fans of Fifty Shades of Grey and Sylvia Day’s Bared To You series. (This is part one of a serial of short stories with mature themes and language.)
