**Macroeconomics (McGraw-Hill Economics)** Campbell McConnell, Stanley Brue, Sean Flynn  
McConnell and Brue's *Macroeconomics: Principles, Problems, and Policies* is the leading Principles of Macroeconomics textbook. It continues to be innovative while teaching students in a clear, unbiased way. The 18th Edition builds upon the tradition of leadership by sticking to 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy.
