GOT SHRINKAGE?

"Got Shrinkage?"

Here's what readers who've experienced Shrinkage are saying:

"Laugh out loud funny! Nothing heavy or life-altering here just a devilishly fun read that will make you laugh out loud."

"I laughed out loud a lot while reading this... nicely written and good fun."

"Refreshing... Laugh out funny, remarkably clever. Read it."

"No shrinkage of laughs... Twistedly funny and entertaining."

"Laugh Out Loud! I really laughed out loud a lot while reading this book..."

"Hilarious...This book was great, completely hilarious. I was laughing out loud a lot."

Is it in yet? It's the phrase that no man ever wants to hear. Luckily, Tim Garrett has never heard those words. At least he has never heard them out loud despite being on the wrong side of the bell curve in the male endowment department.

It has taken many years, but Tim has finally come to terms with being slightly below average below the belt. His life isn't bad, he doesn't hate his job, his girlfriend Jill is hot and doesn't seem to mind his physical attribute. Things are good. That is, until the day Jill dumps him and his world comes crashing down around him.

That's when Tim decides to make some changes in his life; big changes. When a bizarre mixture of pills combined with a not-as-directed, inventive use of an electronic device prove incredibly successful, Tim's life begins to change for the better both in and out of the bedroom. But when things grow a little too much, everything spins out of control and the words be careful what you wish for begin to take on an entirely new meaning.

SHRINKAGE is a somewhat raunchy and completely funny comedy, which is intended for contemporary mature audiences only. (Whatever the hell that means...)
