## **The Feast of Love: A Novel** Charles Baxter

From "one of our most gifted writers" (*Chicago Tribune*), here is a superb new novel that delicately unearths the myriad manifestations of extraordinary love between ordinary people.

**The Feast of Love** is just that -- a sumptuous work of fiction about the thing that most distracts and delights us. In a re-imagined *Midsummer Night's Dream*, men and women speak of and desire their ideal mates; parents seek out their lost children; adult children try to come to terms with their own parents and, in some cases, find new ones.

In vignettes both comic and sexy, the owner of a coffee shop recalls the day his first wife seemed to achieve a moment of simple perfection, while she remembers the women's softball game during which she was stricken by the beauty of the shortstop. A young couple spends hours at the coffee shop fueling the idea of their fierce love. A professor of philosophy, stopping by for a cup of coffee, makes a valiant attempt to explain what he knows to be the inexplicable workings of the human heart. Their voices resonate with each other -- disparate people joined by the meanderings of love -- and come together in a tapestry that depicts the most irresistible arena of life. Crafted with subtlety, grace, and power, **The Feast of Love** is a masterful novel.
