# The SAGE Handbook of International Social Work

## **The SAGE Handbook of International Social Work**

**The SAGE Handbook of International Social Work** tackles the global/local aspect of social work in its various forms and interrogates the key concerns that societies are facing through an international lens. The contributors show that, with an appreciation of commonalities and differences, local practices and appropriate forms of international activity can be better developed. With a truly international range of contributions, the Handbook incorporates perspectives from Asia, Africa, Europe, Australasia, the Middle East and the Americas.
