## **Touchdown (Book 1): M/M Straight to Gay First Time Romance** Jerry Cole

Derrick has never been strictly a “ladies’ man”. His tastes have always included members of the same gender, a fact he has never tried to hide from his teammate, Kevin. He has also never entertained the possibility of taking Kevin to bed, until now. Erotic fantasies and wet dreams featuring the six foot three linebacker have been plaguing Derrick for months. Despite being closer than brothers, this is the one thing Derrick can’t share with his teammate. But how long can you hide your desire for a man you shower with regularly?

Kevin loves hard liquor and soft women. Since high school, he has built a stable of willing women ready to make all of his fantasies come true. His dedication to his libido is only rivaled by his dedication to football. But lately, the wild nights and wild women have been taking their toll on him. For the first time, he begins to envy people who come home to the same body every night. With no new territory to conquer, he contemplates getting out of the game altogether. But, when an old friend comes calling, Kevin discovers that there are still new sexual conquests waiting for him.

What begins as a quiet evening at home, quickly turns into a steamy sexual escapade that will test their boundaries and redefine their relationship. If Derrick reveals his hidden desire, he may lose the best friend he has ever had. If he doesn’t, he may miss his only chance ever to be with Kevin. Derrick and Kevin have made scoring on and off the field the center of their lives. Their dedication to each other and their pursuit of pleasure have given them a lifestyle most people can only imagine. Is it possible that everything Kevin has been looking for has been right beside him?
